Dear Armando,

**Subject:** Approval of Dextra Griptec® Standard Reinforcing Bar Splice Size 40  
**Reference:** Submission dated 12 April 2017

I refer to the above referenced submission provided by OneSteel Reinforcing, which included tensile test report no MT-16/930-Griptec40 dated 12 April 2017.

You are advised that the Dextra Griptec® Standard Coupler for bar diameter 40mm is approved for use on RMS works. The coupler will be included in the next review of the lists of RMS Approved Bridge Components and Systems.

Yours sincerely,
